

• **CLB-2950A-UK:** Discreet Thru'Desk Pop-up Multimedia Outlet in Black Brushed Steel

The CLB-2950A-UK is a Through-Desk Mount AV Connection Box which can be flush mounted into a desk or boardroom table to provide discreet, out-of-the-way storage and connectivity of a wide range of AV inputs and outputs.

This pop-up Multimedia Hub features permanently installed feed-thru connectors for VGA, HDMI, USB, 3.5mm audio jack, RCA, UK mains power, plus 2 x RJ45 data sockets.

When closed, the CLB2950AUK AV Connection Hub is flush mounted to the desk showing a discreet, brushed black steel finish. Press the lid, and the hub's pneumatic hinged lid pops up to reveal the range of AV connection sockets. These are feed-through connectors which are linked at the base of the unit and, therefore, are hidden away underneath the desk / table.

This unit is ideal for installation in AV / work desks, boardroom tables, classrooms, demo rooms, etc, where a wide range of audio visual sources or outputs can easily be temporarily connected, before closing the unit out of the way when not in use.

**Features:**

- Flush Mount Multimedia Console
- Pneumatic hinged pop-up Lid
- Connectors featured: HDMI, VGA, USB, 3.5mm jack, RCA, UK 3 pin mains, 2 x RJ45 sockets
- Feed thru connectors at the base of the unit
- Stylish, discreet, black brushed-steel finish
- Supplied with IEC mains connection cable
- Strong and durable steel construction
- Easy to install and terminate
