● **EL-6010-4K22:** HDMI / VGA/ DisplayPort to HDMI Scaler

Ideal for boardroom or classroom applications, the **EL-6010-4K22** is a **multi-format scaler with HDMI, VGA, and DisplayPort inputs scaling to the HDMI output**. With the **EL-6010-4K22** an installer can scale the input from the connected source device to a HDMI resolution suitable for the connected HDMI display, up to a maximum output resolution of 4K@60Hz (YUV 4:4:4).
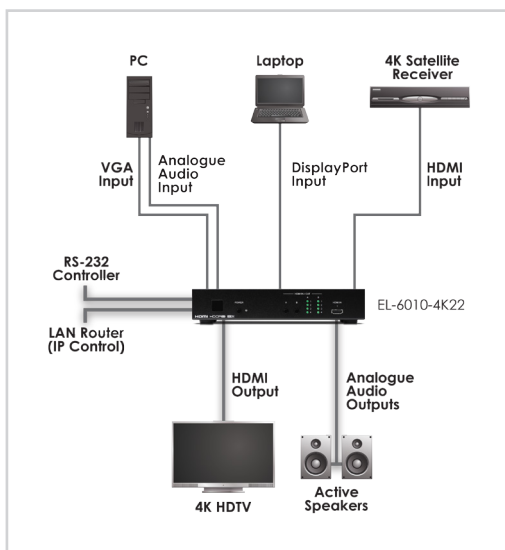

A selection of adjustment options you are likely to need when accommodating different sources are built-in, including a wide array of aspect ratio settings as well as contrast, brightness, saturation, hue and sharpness settings directly on the device. The **EL-6010-4K22** also has an analogue speaker output for ease of integration when used as part of a **conference centre**, **classroom** or **public venue** system.

An Auto Source Detection feature switches to the most recently connected source automatically or another live input if the current one becomes disconnected.

This unit can be controlled via front panel controls (with **OSD**), **WebGUI**, **IR remote**, **telnet** or **RS-232** making operation easy and intuitive.

Features:

• Supports multiple input formats - HDMI, DisplayPort and VGA
• HDMI 2.0, HDCP 2.2, HDCP 1.4 and DVI 1.0 compliant
• Supports video resolutions up to 4K@60Hz (YUV 4:4:4)
• Auto source detection : Automatically switches to the most recently connected input
• Wide range of aspect ratio settings including: full screen, 16:9, 16:10 and 4:3
• Direct adjustment of contrast, brightness, hue and saturation
• Audio mute function
• Analogue stereo audio output with volume control
• EDID management support
• Comprehensive user interface options including : Front panel with OSD, WebGUI, telnet, RS-232, and IR remote

Specifications:

Model:	EL–6010–4K22
Inputs	1x HDMI [1x HDMI Uncompressed AV and Data]
-	1x Display Port [1x Uncompressed AV]
-	1x 15pin Dsub [1x VGA RGBHV]
-	1x 3.5mm Stereo mini-jack [1x Analogue Stereo(L/R)]
-	1x 3.5mm Stereo mini-jack [1x RS-232]
-	1x RJ45 [1x IP Control]
-	1x USB Type A [1x Service Port Propriety Data]
Outputs	1x HDMI [1x HDMI Uncompressed AV and Data]
-	1x 3.5mm Stereo mini-jack [1x Analogue Stereo(L/R)]
Power Supply	5V/3A
Dimensions	117mm [W] x 231mm [D] x 25mm [H]
Weight (Net)	0.64kg
Weight (Gross)	1.10kg
