

• **Elma 1000A: Voltage Tester AC/DC**

The new Elma 1000A is a handy, simple to use, safety voltage tester with smart design features.

The instrument features clear LED indication of relevant voltages and automatic polarity indication.

Features:

- AC/DC Voltage measurement up to 690v
- Automatic AC/DC selection
- Clear indication with LEDs
- Practical and robust design
- Complies with IEC 61010-1 CAT III 690V
- IP54 rated

 TSI Code: 395660935

Specifications:

Model:	Elma 1000A
Voltage Indications	12, 24, 50, 120, 230, 400 and 690v AC/DC
Frequency Range	DC, 50/60Hz
Test current	Less than 3.5mA
Dimensions	165(H) x 20(W) x 16(D) mm
Weight (Net)	0.07kg
Weight (Gross)	0.40kg
