

• **Elma CM07: 400A AC/DC True RMS Mini Clamp Meter**

The Elma CM07 is a True RMS Digital Mini Clamp Meter in a very handy design for easy measurement of both AC and DC currents.

The unit features a superior resolution, 3¾ digit display and analog bargraph and is equipped with automatic zero adjustment, relative zero, min/max memory and data hold.

The Elma CM07 also measures AC/DC current and frequency direct.

**Features:**

- True RMS Digital Mini Clamp Meter
- Measures AC and DC Current
- Automatic Zero Adjustment
- Relative Zero
- Min, Max and Data Hold
- Compliant with IEC 61010-1 CAT II and 600V CAT III 300V
- Supplied complete with carry case, battery and manual

 TSI Code: 395663738

**Specifications:**

Model:	Elma CM07
AC Power	0, 4, 40, 100, 400A
Resolution	0,001-0,01-0,1A
DC Power	0, 40, 400A
Resolution	0.01 ~ 0.1A
Accuracy	±1.5% + 2D
Frequency	0 ~ 1000kHz
Display	3¾ digits
Max. View	3999
Clamp Length	24mm
Battery	2 x 1.5v AA (included)
Dimensions	180(H) x 50(W) x 29(D) mm
Weight (Net)	0.20kg
Weight (Gross)	0.40kg
