

- **FMW20B-100** : 20W Fashion Monitor
100v/8ohm, Black
- **FMW20W-100** : 20W Fashion Monitor
100v/8ohm, White

The FMW20B-100 (black) and FMW20W-100 (white) are our latest budget range Music Monitor Loudspeakers for wall-mounting music and voice reinforcement audio installations.

Supplied in single units, these music monitor speakers also include robust wall-mount brackets for mounting in portrait or landscape orientation.

100v line / Low Impedance tapings are adjustable on the rear of the loudspeakers via screwdriver and termination is via screw binding posts.

Ideal for PA / BGM installation in schools, boardrooms, sales floors, retail or any environment requiring high quality sound reproduction.

Features:

- 10W Fashion Monitor Loudspeakers
- 100v line and low impedance tapings
- Supplied with wall mount bracket
- High quality ABS plastic moulding
- Available in black or white finish
- Sold in single units
