

Ready when you are.

M Universal Pad Grabber

Art No: **MB4111**

The M Universal Pad Grabber, fits your Pad perfectly. This unique holder consists of a centerpiece and its connected three arms that gently grabs your iPad, Kindle or other Android pads. The M Universal Pad Grabber is VESA based so it can be mounted onto almost any VESA specified wallmount, arm or desktopmount. The three supporting arms are coated with rubber to ensure a scratch-free operation.

Brushed aluminum finish lends it an expensive look and feel that perfectly complements any Pad or tablet in any environment.

Apple® and iPad™ are trademarks of Apple Corporation.

FEATURES

- Convert VESA mounts to securely grab ipad, Kindle and other tablet computers
- Ideal for converting wallmount, arm and desktop brackets to hold iPads and tablets
- 3 supporting arms are rubber coated to protect your device
- Rotates for landscape and portrait format
- Angle tilt for optimal viewing and operation
- Brushed aluminium finish
- Position your tablet as a primary or secondary workstation at the desk
