

• **OR-HD62CD: 6 x 2 UHD HDMI Switch with Audio De-embedding**

The OR-HD62CD from CYP is a Ultra High Definition (UHD) HDMI Switch providing 6 x HDMI inputs and 2 x HDMI outputs.

The ORHD62CD features fast switching technology to dramatically improve the sync time when switching to HDMI displays compared with standard switchers. This UHD Switcher will allow up to 6 x HDMI sources (including 4k resolution) to be inputted and distributed to either or both of its HDMI outputs.

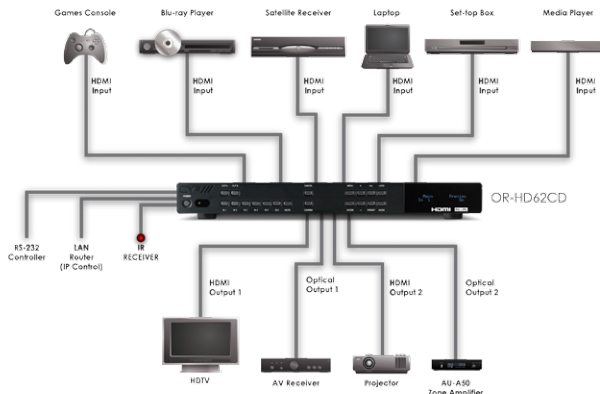

This advanced Switcher also features cutting-edge Picture-on-Picture preview functionality, allowing 5 'unselected' sources to be displayed as a row of 5 small windows, overlaid on top of the main selected HDMI source signal. (please note that in this mode, both HDMI outputs will display the same feed).

The CYP OR-HD62CD allows the de-embedding of hi-definition audio via a dedicated optical output for each of the two HDMI outputs. Features also include 4k ultra high definition video support and 3D signal support.

Control is via front panel buttons, IR remote control, RS-232, Telnet or IP control, allowing easy integration into third party remote access control systems.

Features:

- HDMI, HDCP 1.1, DVI 1.0 compliant
- Resolutions supported : HDTV - 480i to 1080p plus 1080p24fps, and 4K2K; PC - VGA to WUXGA;
- High Definition audio supported : Dolby TrueHD, Dolby Digital Plus, DTS-HD Master Audio + 7.1 Channel LPCM
- RS-232, Telnet or IP Control, IR Remote Control (supplied), Web GUI Control
- Supports audio extraction from HDMI input to Optical output, input audio sampling rate up to 192 kHz
- Ability to switch between any two sources within 1 second
- Supports 3D signals
- Cutting edge Picture in Picture preview function

Specifications:

Model:	OR-HD62CD
Inputs:	6x HDMI [6x HDMI Uncompressed AV and Data] 1x 3.5mm Stereo mini-jack [1x IR Propriety Data] 1x 9pin Dsub [1x RS-232 Data] 1x RJ45 [1x IP Control] 1x USB Type A [1x Service Port Propriety Data]
Outputs:	2x HDMI [2x HDMI Uncompressed AV and Data] 2x Toslink [2x Optical 2 Channel LPCM / Dolby Digital / Dolby Digital Plus / DTS]
Dimensions:	440(W) x 40(H) x 290(D) mm
Net. Weight:	3020g
