

Clever Little Box

- **SPK30B:** 30W 8Ω / 16W 100v Indoor/Outdoor Cabinet Speakers, Black
- **SPK30W:** 30W 8Ω / 16W 100v Indoor/Outdoor Cabinet Speakers, White

The SPK30 Series 30W Cabinet Loudspeaker is a cost effective solution for both indoor and sheltered outdoor audio installations.

Supplied in pairs, these wallmount cabinet speakers are manufactured in high-impact polypropylene with aluminium grille, providing extra protection in public access / high risk areas.

The SPK30 100v line / low impedance speakers are supplied with adjustable wallmount brackets and are ideal for PA, background music or voice reinforcement installations both indoors and sheltered outdoor applications.

Available in black or white finish.

Features:

- 30W low impedance / 16W 100v line
- 2-way speaker drivers
- Weather resistant for sheltered outdoor and indoor applications
- Manufactured in high impact polypropylene
- Supplied in pairs
- Supplied with adjustable wallmount brackets
- Finished in black or white
